

## **Certified Midwife**

### **CHP Barrington OB/GYN, Gt. Barrington, MA**

Community Health Programs (CHP) is currently seeking a full-time, full-scope Certified Nurse Midwife to join our growing OB/GYN practice consisting of 2 Physicians and 2 Certified Nurse Midwives.

The practice is located in Great Barrington, in the beautiful southern Berkshires of Western Massachusetts (Smithsonian Magazine named Great Barrington the “Best small town in America” in 2012). Ideal family setting with many cultural and outdoor offerings. The CHP practice is well recognized in our community, and we collaborate closely with the maternity staff of Fairview Hospital, located a short distance to our practice site. In addition, our community has been very supportive of a shared obstetrician/mid-wife model of women’s services.

Practice a full range of office and hospital-based women’s health care services from adolescence beyond menopause including gynecologic and family planning services, prenatal, intrapartum and postpartum care.

- Conduct physical exams and take detailed medical histories.
- Diagnose and treat women with acute and chronic illnesses.
- Prescribe appropriate pharmaceuticals when necessary.
- Admit, manage and discharge hospitalized patients.
- Order and interpret laboratory and diagnostic tests.
- Promote healthy lifestyles.
- Manage and prevent sexually transmitted diseases.
- Create individualized wellness, education, reproductive health and counseling plans.

CHP seeks a women’s health professional with a compassionate nature who enjoys working with women from diverse ethnic and socio-economic backgrounds.

Services are provided in partnership with CHP’s seasoned OB/GYN physicians, nurse practitioner, office staff, and Fairview Hospital’s Labor and Delivery Service.

Must be able to work well within a dynamic team and have strong interpersonal skills and excellent communication skills, including the ability to listen to patients with empathy and understanding.

CHP offers a competitive salary and benefits package. Relocation assistance available.

#### **Education Requirements:**

Bachelor of Science in Nursing (BSN) and completion of accredited Certified Nurse Midwifery program.

Current, valid and unrestricted Massachusetts Nursing License

Must be a U.S. citizen
